Office & Meeting Space @ The Pump

THE Pump

(East Birmingham) Ltd
Charity Number 1134459

Leasing an office

@ The Pump

Our building is open from 8.30 am, with late closing options for events or bookings in advance. All tenants will also benefit from discounted room hire prices (see back for rooms available). All leased offices have heating, lighting and cleaning and will benefit from reception duties and own key for easy access. The site is alarmed and has a 24hr managed CCTV system - all included in the lease price!

Meeting rooms available

@ The Pump

We also have a number of meeting rooms available for meetings, whether that be one off or regular events. Sizes of rooms vary to suit different needs : rooms suitable for 6 people or for bigger events/conferences we have space available for up to 60 people.

Smart boards, laptops, white boards and other equipment available for hire on site to make your meeting successful.

Other facilities

All leased offices have the option of joining our integrated telephone system (cost dependant on usage) and unlimited broadband service all for a small service charge.

Salon

This fully operational hair salon complete with high quality equipment, 10 mirrored stations and 3 hair washing sinks provides a bespoke training facility, it is available on a short or long term basis.

Recording studio

The Pump has its own recording studio fully equipped with MAC and the latest software plus a range of musical equipment for music making activity.

Catering

The Pump Café is a Community Interest Company, providing catering for a range of internal and external events, offering high quality, locally sourced produce for buffets for any number of delegates.

Catering options are available to suit your needs from your daily lunch to executive, corporate or community events.
